# Sending Requests and Messages

Send individual requests or messages to a participant's MyConnectSV account through their Clarity profile

The image shows a user profile interface. On the left, a profile card for a man with grey hair and a beard is displayed. Below the photo is a 'Connected' status indicator and a unique identifier '8F425AD2A'. A 'SEND MESSAGE' button is highlighted with a red box. On the right, a 'Household Members' section contains a row of icons: a printer, a calendar, a shield, and a smartphone with a speech bubble. The smartphone icon is also highlighted with a red box. A red arrow points from this icon to a modal window titled 'SEND REQUEST TO THE CUSTOMER PORTAL'. The modal contains three dropdown menus: 'Assessments', 'Documents', and 'Location'. A 'SEND NEW REQUEST' button is visible in the top right corner of the modal.

# Sending Requests and Messages

# Account Disconnection

Participants or their providers should disconnect an account immediately if any of the following occur:

- Participant places request for their Clarity profile to be de-identified
- Participant lost access to personal email
- Participant's personal email is compromised
- Participant has changed their personal email address

*Account disconnection suspends access to a participant's personal information within MyConnectSV.*

*If a participant has only forgotten their MyConnectSV password and their email has not been compromised, they can use the "Forget Password" button on the login page to receive a link to reset their password.*

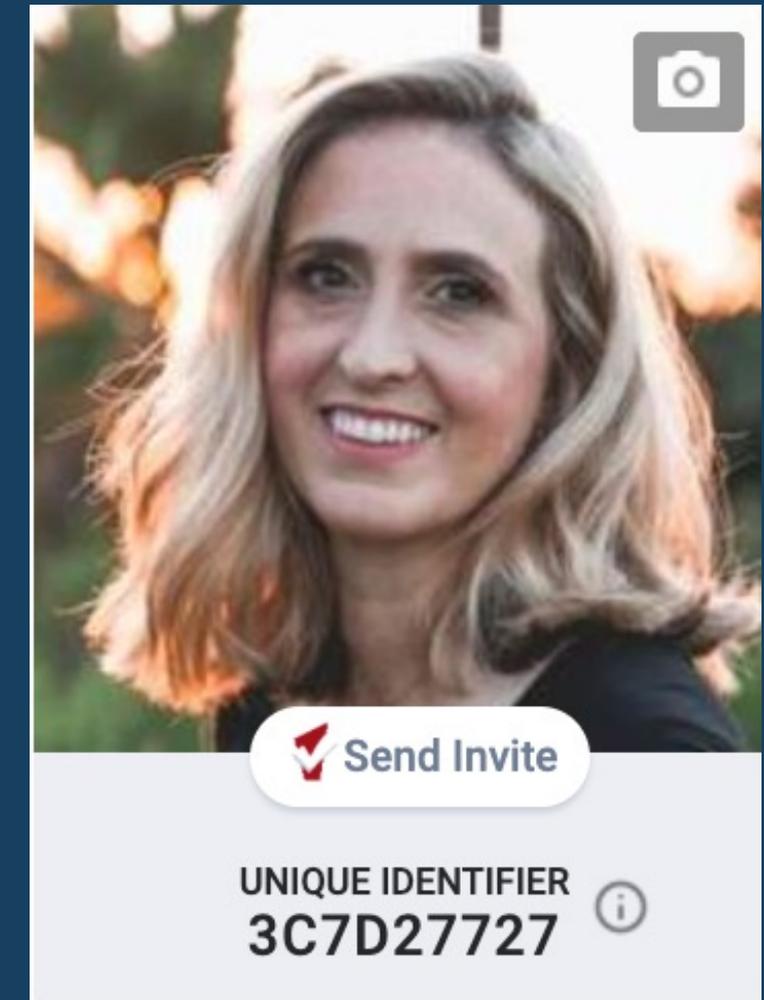

The screenshot shows a user profile card for Elizabeth Myers. The card is titled "CUSTOMER PORTAL CONNECTION" and includes a close button (X) in the top right corner. On the left is a profile picture of a woman with blonde hair. To the right of the photo, the name "ELIZABETH MYERS" is displayed in bold. Below the name, the following information is listed: "Email" with the address "elizabethmyersportal@gmail.com" and a green checkmark; "Phone" with the number "+18284571215" and a radio button; and "Last Seen" with the timestamp "Monday, January 31 2022 02:22PM". At the bottom right of the card, there is a red-bordered button labeled "DISCONNECT".

# Account Reconnection

If an account has been disconnected due to a participant losing access to their email account:

- Encourage participant to create a new free email address
- Send an invite to a participant's new email address using the same method used to invite the participant for the first time

*All information is saved, and participants will have access to their information once the account is reconnected to the new address.*
